PREMIUM EXTERIOR PAINTS

Exterior walls are susceptible to tiny, hairline cracks, as new walls cure and dry, and as a result of extreme changes in the weather. Rain and moisture can seep in through these cracks and cause serious damage.

Dulux Weathershield Powerflexx and Dulux Weathershield are super premium exterior paints that give your home ultimate protection, keeping it beautiful and looking new for a longer period of time.

Dulux Weathershield Powerflexx

Dulux Weathershield

Unique PowerflexxTechnology allows the paint film to stretch up to 6x more than standard premium exterior wall paint, covers and prevents resurfacing of hairline cracks so rain and moisture cannot seep in and damage the wall.

Advanced Algae & Fungus Guard with Smart Release Technology protects 2x longer against algae and fungus.

Keep Cool™ Technology reflects heat from sunlight to reduce exterior wall surface temperature by up to 5°C.

Colourlock™ retains colour vibrancy so walls will always appear bright and fresh.

Alkali Guard – Molecules are strongly bonded together giving superior protection from alkali attack.

Dirt Guard resists dirt and dust from settling on the surface to maintain clean and fresh walls.

Equipped with peel guard technology, prevents the paint film from peeling off the walls because of environmental factors.

Certified by Singapore Green Label to be an environmentally friendly paint.

Ultimate Protection Whatever The Weather

Dulux World of Weathershield offers a new and exciting range of products. It protects your home from the adverse effects of weather. Its technically advanced undercoats & topcoats offer a better & superior finish which keeps your home exterior looking freshly painted for longer.

RECOMMENDED PAINT SYSTEM

For optimal performance

Dulux Exterior Acrylic Putty

- Brilliant White Colour
- Easy Apply & Quick Dry
- Excellent filling with smooth finish
- Low Odour & Low VOC

Dulux Exterior Crack Bridging Primer

- Alkali Resistance
- Anti Peeling & Flaking
- Excellent Adhesion
- Smooth Finish
- Low Odour & Low VOC
